PRESIDENT'S MESSAGE

Wendy Gould

I'm pleased to present this year's Annual Report of Pegasus' 47th year of operation. I am also pleased to report that, after three challenging years, Pegasus remains financially strong, operationally safe and well governed. Our programs continued throughout the year, despite threats from Covid-19 and some extraordinary weather patterns (which have certainly not dampened the Pegasus spirit)!

This year, Pegasus delivered 900 sessions to 113 participants. This would not have been possible without the dedication and support of our amazing team of staff, volunteers and coaches who continue to give of their time week after week, often going above and beyond for our participants. I've been particularly impressed by their collective ability to work hard, support each other and keep going. This is what makes Pegasus special and so thanks must go to them for all that they do.

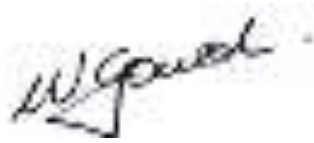

We've continued to benefit from the generosity of our sponsors, partners and donors, whose support is essential to our operation. This year, our events and fundraising activities saw our sponsors, partners and donors contribute over \$450,000 to Pegasus. Our thanks go to them for their continued support and belief that what we do makes a difference.

Our organisational capability has been enhanced this year with the completion of our indoor arena resurfacing and the extensive experience brought to the Horse Manager role by Kirsten Baker. Our partnership with Galilee School, through Communities at Work, has delivered meaningful projects for their farm-based activities and we trademarked our new unmounted 'Horse Abilities' program which has allowed us to extend our reach.

Thanks must also go to our Board members, who give freely of their time and expertise, and who strive to secure Pegasus' future through their ongoing commitment to good governance and collaboration.

I am also pleased to announce the launch of our 2022-2027 Strategy which can be viewed at <https://pegasusact.com.au/strategic-plan/>. While the Strategy outlines our broad objectives for the next five years, there is much to be done operationally to bring it to life.

In the meantime, we continue to develop abilities.

A handwritten signature in black ink, which appears to read 'W. Gould'.

FROM THE CEO

Matthew Watson

It gives me great pleasure to share with you all the year that was, a year where we could finally plan and see a future beyond Covid lockdowns.

Or so we thought as the ACT was put into a snap lockdown on 12 August; with only five hours notice the team at Pegasus worked frantically to put things in place to ensure our herd could be properly looked after, and that we could notify all our volunteers and families that programs were to stop immediately. It was nine weeks with staff working from home, only coming in to conduct horse welfare checks and property maintenance. A huge thank you needs to go out to all the team who worked tirelessly throughout this time, without our regular number of volunteers attending a lot of the workload fell onto the staff. The hay had to keep going out and the manure kept piling up, but in true Pegasus style, we made it work.

However, we were fortunate to have celebrated the horse's birthday the week prior, although we couldn't invite all our supporters, our participants had a weeklong celebration with games, activities, and of course the giant hay cake. Thank you to everyone who helped us celebrate our amazing ponies and horses.

Part way into term four we were back into the swing of programs full of smiles, laughter, and catching up with friends again. The remainder of the year carried on without incident, covid cases were causing some disruptions to classes but the ability to have avoided an outbreak within Pegasus is testament to the professionalism and respect of the situation from all the team and families.

Open Day was once again a victim of Covid and did not occur during the financial year, this does have a direct effect on fundraising, but it is also about the community engagement we were all missing so much. We were fortunate though to have still been able to hold our annual charity race day and golf day supported Corkhill Bros and 2 Constitution Avenue respectively. Two very important events of the fundraising calendar and a big thank you to all the businesses and individuals who supported these events.

Christmas rocked around and as we all gathered for our annual Christmas Party and Volunteer Appreciation Event, kindly supported once again by Parbery. Families, volunteers and staff enjoyed an afternoon of games, food, and awards. We also had a very special visit from the man himself, Santa.

Throughout the year I would have to say April was the highlight for me after being invited to join RDA Australia in meeting with Her Royal Highness Princess Anne, The Princess Royal, during her

visit to Australia for the Royal Easter Show. Held on the grounds of Government House in Sydney, the evening was a wonderful opportunity for Her Royal Highness to meet with representatives of the countless organisations in which she is a patron for. Joined by other members of RDA from around Australia, Pegasus was excited to have been able to share this experience with two of our long-time families. HRH Princess Anne was very generous with her time, making sure to meet and talk with everyone there that evening. Truly a once in a lifetime opportunity and one I will cherish for many years to come.

A lot of exciting new projects also occurred during this time, none more so than our new arena surface upgrade. Generously supported financially by ACT Sport and Recreation, we were able to invest in removing the old surface, repairing the subbase and installing the latest in surfaces, a mix of sand and shredded carpet, which in turn not only provided a softer surface but has reduced our dust levels to almost zero. But even with the financial support we still needed assistance from local businesses to make it happen; thank you to AG Garden services, Bumble Bee Excavations and Corkhill Bros for their support and assistance in labor and materials.

2022 also saw the launch of our new website, with the existing website becoming outdated it was time for something new and fresh, Fiber to the rescue. A local Canberra business, Fiber specialises in website design and marketing. The new website was not just a simple refresh, it was an all-new build from the ground up and includes capabilities for future integration of our systems. A big thank you to Fiber who donated their time and expertise to make this happen.

This year we also launched our farm skills program with Galilee School, which is specifically designed for disengaged and vulnerable young people in years 7-12 in the ACT and surrounds. Galilee and Pegasus met back in 2021 to look at ways in which students and Pegasus could work together. From this the farm skills program came about where students come to Pegasus one day a week to help on the property; real life jobs including erecting new fencing and repairs, fixing or installing water troughs and irrigation plumbing, gardening, painting, and any other job that helps to keep the property up to standard. It is hoped these jobs will help students identify and connect with opportunities after they leave school, building their confidence, while helping them identify what they are good at and how those fit into the workplace.

With so much happening within Pegasus I invite you to read through this year's annual report and see all the amazing projects, activities, and stories that make Pegasus who we are. I would also like to take this opportunity to thank my team, Chai, Janelle, Jo, and Kirsten who all help keep the wheels turning; thank you to all our wonderful coaches, Andrew, Brooke, Cathy, Chris, Janelle, John, Lynne, Margo, Steph, and Yolanda who give tirelessly week in, week out, delivering quality classes to our participants. To all our volunteers who make sure our horses are looked after, participants are safe, and all that poo is picked up; Pegasus could not operate without you all. Paul, Adrian, Brian, and Ian who make sure the fences are up, the gardens are beautiful, and all those jobs that keep a farm operating, thank you. And the Board who have helped reinvigorate and govern the organisation and supported my role and given me the tools to help lead Pegasus into its next chapter, thank you.

Programs and Volunteering

Janelle Patten

What a year! Finally heading out from under the Covid cloud and back into the new normal saw programs back without interruptions and the return of well rested horses, excited participants, and happy volunteers. Once out of lockdown programs were able to return to normal reasonably quickly, all be it masks and vaccinations being a requirement it was a small price to pay.

As we look back at some of our favorite events I would like to extend my heartfelt thank you to all the staff, volunteers, participants, and horses for a wonderful year. Despite the trying circumstances with Covid causing so many disruptions to every one's lives. For Staff and a very few volunteers this was during a stricter lockdown than the previous year, making rostering for

horse welfare tricky, however, everyone pulled together and helped out, as always reminding me how lucky we are to have such a dedicated and talented team.

I am also honored to welcome our new Horse Manager, Kirsten Baker. Thank you for joining us, Kirsten you are a huge asset to the team, with horses and humans benefiting from your generosity in sharing your boundless wealth of knowledge, the horses and I are very happy to have you on board.

Always a staff favourite, our annual Scholarship Awards are a great way to start the year. For families who cannot access NDIS and are not able to fund programs themselves, our scholarship program is a beautiful way in which we can help ensure everybody can access Pegasus' unique programs. A huge thank you to our sponsors, whom without their generous support, scholarships would not be possible, and congratulations to the recipients.

We all know the importance of our wonderful volunteers, whom without, Pegasus would not be able to provide the amazing services we provide. Every year our volunteers help to deliver programs, assist with coaching, stables and horse care, through to helping maintain our amazing gardens and farm property. As we plan ahead for growth and development in programs, we used the start of 2022 to review and update our recruitment and mentoring for volunteers.

One big highlight for this financial year was being able to hold our annual Christmas Party and Volunteer Appreciation evening, always a fun event. Congratulations to this year's well deserved volunteer award winners:

- Volunteer of the Year – Paul Sloane
- Fundraising and Events Volunteers - Jenny & Bob Thompson
- Program Volunteers of the Year - The Saturday Morning Super Crew, Nicola, Lauren, Abbey, Brooke, Steph, Connie, Craig, Clare, Tilly, Margaret, Georgia, Heather, Rebecca, Jayne, Jo, Abi, Jody, Maebel, Cassie, Karen & Karen
- Stable Volunteers - The Wednesday morning group – Leah, Deb, Carol & Lydia
- Service Volunteer - Andrew Gibson
- Young Volunteer - Alex Tolano
- Horse of the Year – Jacko

Thank you also to Parbery for their continued support of this event

2022 also saw the return of our amazing friend and coach mentor, Sally Francis OAM. Sally has been visiting Pegasus for the past 20 years, sharing her knowledge and expertise in all things RDA and horses.

Sally is also our coach assessor and mentor, helping new coaches develop their skills while mentoring existing coaches and teaching new techniques.

As Sally lives in Victoria we have missed seeing her during lockdowns and have absolutely loved having her cheeky sense of humor and personality back.

Kirsten Baker

The 2021 – 2022 year has seen some challenges and changes on the horse front of Pegasus, starting with making sure our horses stayed healthy and happy during the Covid lockdown period and then a change to a new Horse Manager. Coming from an equestrian coaching background, I joined the team early 2022 and am very grateful for the opportunity to care for such a special group of horses and ponies. Everyone has now returned to normal class schedules and the horses are happy to be back on the job and to see all their favourite riders and volunteers.

Over the year we welcomed a gorgeous new pony, Blossom, to the herd and she has commenced classes taking it all in her stride. Sadly, we have also said goodbye to friends Bluey, Buddy, Itchy and Jubilee. Their contribution to Pegasus will never be forgotten.

Taking care of the horses couldn't be done without the service providers over the year that all contribute to the health and wellbeing of our herd and support me to provide the very best of care.

Thank you to our major equine suppliers:

Canberra Equine Hospital
Bungendore Veterinary Surgery
Arlo and Kayla – UK Farriers
Brindabella Stockfeeds (Now Petstock Country)
ACT Hay Delivery
Hiscocks Saddleworld

I would like to extend a special thank you Brian our Farm Manager and Paul, who gives countless hours in time. They provide valuable assistance in the background and work hard to ensure that the farm is safe for our horses and maintain the infrastructure that makes managing a herd with so many varying needs a much easier job. On top of this, they take care of mowing and general maintenance and make sure Pegasus is always neatly presented, so we can be proud of our environment, especially when we have visitors.

This year we also saw Nicola commence as our stable assistant, I would like to thank her for all she does, rain hail or shine – or mud! Finally, to the volunteers that assist me with the horses, grooming, exercising, cleaning up after them – thank you. Your time is an incredibly important contribution that we could not operate without.

It is a privilege to be a new part of the Pegasus team and I look forward to seeing what the next year brings and hopefully welcoming more horses to our herd.

Horse Adoptions

Pegasus would like to thank the following Individuals and Organisations who have adopted a Pegasus Pony. Our adoption program offers the community the chance to "adopt" one of our amazing ponies, this adoption contribution goes directly to supporting the costs for Vets, Farriers, health, and wellbeing.

In the financial year 2021-2022 Pegasus enjoyed hosting many events and fostering partnerships with our community. At Pegasus we are truly fortunate that so many understand what we do and how valuable our services are, we are also pleased to have many that not only fundraise for us but with us. Though they are too many to individually list, some highlights of these partnerships and events are;

Working in partnership with the Lions Club of Belconnen. The team from Lions club are always ready to support Pegasus with not only their annual donation that we gratefully receive, but also in their supply of enthusiastic volunteers at many of our events including our Volunteer Appreciation and participant Christmas Party, our Bunnings BBQs, and Pony Up for Pegasus.

Also, in support of our end of year party, we want to thank Parbery for again ensuring that our families were well fed, entertained and volunteers able to enjoy a day off by providing their own volunteers as well as their generous financial support of this special event.

We are grateful to our Canberra community schools support. In November we received a wonderful donation raised by the industrious students of Saint Francis Xavier. Marist students have also raised funds through their drives, and we really appreciate these thoughtful gifts.

Our major fundraising event in November 2021 was the Corkhill Bros Pegasus Charity Race Day. This is one of our major fundraising events and we appreciate Corkhill Bros ongoing support. Though very wet conditions threatened, we had a fantastic day of racing, auctions, raffles, and speakers. It is a wonderful way to share our Pegasus journey with a new audience and a great result with over \$20,000.00 raised.

The staff at Commonwealth bank, Woden, voted for Pegasus as their charity in the month of November, where each staff members donated an amount from their wage to us.

Pegasus received wonderful donations at Christmas time from our friends at Petspirations who granting us some generous Christmas wishes and included us in their Petbowl fundraising promotion. The Freemasons of Canberra made a welcomed donation to Pegasus as part of our ongoing association with them and contributed a handmade rocking chair for the Christmas raffle.

Our second major fundraising event of the financial year was our much loved Annual Golf Day. We could not host the day out on the greens without the major sponsorship of 2 Constitution Avenue. This partnership is so valuable to Pegasus and we really appreciate it. Along with Yowani Golf Club who are very generous to host Pegasus for the day, thank you. Thanks also to our friends at Contentious Character for the wine tasting and prizes, Brumbies for a fun visit and hole sponsorship, Capital Chemist, Tall Foundation, Beyond Bank, Parbery, and Omni Executives. This day raised in excess of \$16,000.00 for Pegasus, thank you all who contributed.

Hands Across Canberra's, Canberra Day Appeal proved to be a hugely successful partnership for Pegasus this year with a staggering \$24,052.00. These are funds gathered from individuals across the community who give so generously for this appeal.

Pegasus was thrilled to be selected to join in the 50/50 Charity raffle with the Brumbies in May 2022. This is a partnership that Pegasus was only too happy to participate in with volunteers selling raffle tickets to the crowd until half time culminating in both an individual winner and a generous donation for Pegasus.

Our last major event of the financial year was our fantastic Pony Up for Pegasus on 10 June 2022. Ned and Josh from Hit FM, teamed up with Pegasus for a fun filled week of fundraising whether it was out on the road or in the studio, culminating with the Pony Up for Pegasus breakfast show live from the arena. Tons of fun and tons of funding with over \$20,000.00 raised for Pegasus. Thank you, Hit FM team.
