About Pegasus

Established in 1974, Riding for the Disabled ACT Inc. (Pegasus) is an iconic charitable organisation serving the ACT and local NSW region. Pegasus provides horse-facilitated programs and activities aimed at developing abilities for people living with disability. We offer mounted, unmounted Horseability, and school holiday programs.

Apart from being fun, horse riding exercises the whole body, improving muscle strength and flexibility, coordination and balance, fine and gross motor skills and development, core strength and stability, concentration, and focus. Working with horses encourages responsible and caring attitudes, and helps to build confidence, self-esteem, communication skills, leadership, and trust. All delivered in a supportive and socially integrated setting.

2026 term dates - Pegasus term dates are within ACT government school terms, with each term consisting of 9 weeks.

Pegasus will not operate programs including school holiday programs throughout the four weeks in July.

Term 1 - Monday 09 February to Saturday 04 April 2026 (8 weeks)

Term 2 - Monday 27 April to Saturday 27 June 2026 (10 weeks)

Term 3 - Monday 27 July to Saturday 26 September 2026 (9 weeks)

Term 4 - Monday 12 October to Saturday 12 December 2026 (9 weeks)

Pegasus horses

Pegasus horses are specially selected for temperament and conformation, and specifically trained to work with people with disability. Each horse undergoes extensive training before they are ready for classes and continues weekly training during their working life.

The care and wellbeing of participants and horses is paramount at Pegasus. We strive to provide great care for our horses.

Our Horse Manager and Coaches continually monitor the suitability of a horse and participant combination, and there may come a time when a participant must cease riding a particular horse. We will endeavor to find a suitable replacement but, unfortunately, we cannot guarantee this.

Pegasus Programs

Pegasus offers two unique programs.

- Our traditional RDA programs focus on delivering horse facilitated services to people with disability through our mounted riding programs and unmounted Horseability programs; and
- Our Horses Helping Humans (HHH) program, this is a licensed program developed for youth at risk and disadvantaged youth, and is a short 5 week ground work program where participants learn to work and connect with horses on the ground. No riding is offered under this program.

Pegasus Coaches and Facilitators

RDA Coaches are qualified under Riding for the Disabled Association (RDAA) National Coaching Accreditation Scheme. They have knowledge and skills in disabilities, safety, first aid, coaching, horsemanship, and the selection and training of horses.

Horses Helping Humans (HHH) programs are delivered by fully qualified facilitators under the training of Sue Spence and is recognised across Australia and New Zealand. They have knowledge and skills in youth at risk, safety, first aid, coaching, horsemanship, and the selection and training of horses.

Pegasus Volunteers

Pegasus volunteers are trained under the RDAA Volunteer Training Program, in assisting people with disabilities. We provide up to three volunteers per participant to assist them with riding: a 'leader' and up to two 'side walkers' based upon the participants' needs.

Attending lessons

Pegasus requires participants to arrive 15 minutes prior to the start time for the lesson, so that they have time to put their helmets on, hear the briefing for the session and be ready to start at the scheduled time. This helps the participant transition calmly and safely to the session, which makes for a better outcome for all involved.

Participant forms

All participants will be required to fill in a set of forms before they can ride at Pegasus, and ongoing each calendar year.

Necessary forms are:

- **Expression of interest form**
- **The Participant Information Form** is an online form and must be completed before the participant can commence at Pegasus. This form includes medical information and may require consent from a GP before commencing programs.
- **Participant Acceptance Form** is an online form and must be completed when a place has been offered. Failure to submit this form within the deadline may result in your place being given to someone else. This form also includes Photography and Video Consent.
- **A Service Agreement** will be completed by a parent or guardian on behalf of the participant. This covers program details and the agreed invoicing and payment schedule.

Pegasus has a central database, and all information is stored securely with access by authorised persons only, including dual factor authenticity.

Payment of Fees

Fees and payment schedules for participants' programs will be outlined in their "quote".

Pegasus requests that payment of fees be received within **14 days from the invoice date**. An email reminder will be sent out to participants, parents, or guardians if payment has not been received within 14 days and a friendly follow-up phone call will be made for all outstanding fees that have not been received after 21 days of the invoice date.

Invoices will be sent to participants. Individuals are responsible for claiming their own NDIS reimbursements from their funds or plan manager. Pegasus will not make claims on your behalf.

This can be found on the Australian standards sticker inside the helmet.

Falls and accidents

It is Pegasus' policy that after any fall, no matter how small, the participant will not resume for the remainder for the session. This is to help protect from any further risk from possible concussion or physical injury that may not be evident at the time.
